

PRASANNA SCHOOL OF PUBLIC HEALTH

MANIPAL

(A constituent unit of MAHE, Manipal)

CERTIFICATE COURSE IN EVIDENCE SYNTHESIS:

Systematic Review and Meta-analysis

Public Health Evidence South Asia (PHESA)

Department of Health Information, Prasanna School of Public Health (PSPH), Manipal Academy of Higher Education (MAHE), Manipal

Date: 7th -12th November, 2022

Public Health Evidence South Asia is part of the Prasanna School of Public Health (PSPH), Manipal Academy of Higher Education. PHESA aims to meet the public health evidence needs of the South Asian region and has collaborated with several eminent institutes. Till date, PHESA has conducted various national and international workshops.

ABOUT THE COURSE

The online certificate course will offer an opportunity to learn systematic reviews (SR) following Cochrane methodology through a series of lectures by evidence synthesis experts from eminent institutions. Participants will get an opportunity to engage in discussions on how SR can be made more interdisciplinary and relevant for practice. Applying the principles of 'learning by doing', the participants will concurrently work towards developing an SR protocol. Additionally, a panel discussion will also be organized with experts in evidence synthesis.

SALIENT FEATURES

1. Learning the science and art of conducting SR.
2. Developing competency in asking the right review question, drafting SR protocol, registering on PROSPERO, selecting appropriate databases, and reporting the review.
3. Outcome driven sessions.

TOPICS COVERED

Introduction to SRs, formulation of a research question, systematic literature search, screening and data extraction, data management, risk of bias assessment, introduction to Meta-analysis and RevMan, GRADE, qualitative SR, rapid evidence synthesis, writing an SR protocol and registration, evidence to policy translation, evidence synthesis in the Indian context, and panel discussion with the experts.

WHO CAN ATTEND?

Faculty, post-doctoral and doctoral scholars, PG students and researchers from academia and industry.

LEARNING OUTCOMES

Core concepts - Formulating the research question and eligibility criteria, constructing search strategy, critical appraisal of studies, planning meta-analysis, and introduction to GRADE.

Tools - Screening software and RevMan.

COURSE FEE

External Faculty	INR 13,000
MAHE Staff	INR 12,000
PhD Students	INR 10,000
Postgraduate students	INR 6,000
International Scholars	\$ 300

SCREENING

Interested candidates, please send your CV and a comprehensive letter of motivation to ph.cochrane@manipal.edu. Once accepted, participants will receive a link with additional information for registration.

Last date for
Application:

October 15, 2022

Credit points: 4
