

PRASANNA SCHOOL OF PUBLIC HEALTH MANIPAL

(A constituent unit of MAHE, Manipal)

Scoping Review Workshop

"Come with a research question and walk back with a protocol" May 17/May 31/ June 14/June 28, 2023

Public Health Evidence South Asia (PHESA)

Department of Health Information

Prasanna School of Public Health (PSPH)

Manipal Academy of Higher Education (MAHE), Manipal, India

OVERVIEW

The Scoping Review (ScR) workshop will provide a theoretical introduction and a hands-on session on ScR for developing a search strategy, designing, and developing a review protocol. The participants will be able to choose the right question, conduct a systematic search, and develop a protocol on their topic of interest.

Reviews have become increasingly important in various disciplines to inform policy and decision making. This workshop includes student-centred sessions by experts in the field of evidence synthesis.

Students will learn in choosing the right review for their project work and improve their skills in conducting a scoping review.

LEARNING OUTCOMES

- Understand the role of scoping review in evidence-informed decision making.
- Define selection criteria and search strategy.
- Curate complex searches for literature appropriate to the review question.
- Develop a scoping review protocol.
- Perform a scoping literature review.

WHO CAN ATTEND

Faculty, Post-doctorates, PhD scholars, Researchers, Postgraduates from all disciplines.

REGISTRATION DETAILS

MAHE: 3000 INR

Non-MAHE: 3500 INR

Number of participants: 70

Venue: Interact 1d

Registration link: <https://tinyurl.com/y5asmyr9>

For more details, please contact:

Mr. Nachiket Gudi, Coordinator
PHESA, Dept. of Health Information,
PSPH, MAHE, Manipal- 576104.

Telephone: **0820-2923449**

Mail ID: ph.cochrane@manipal.edu
